Development Features and Highlights

- A fantastic development for Four Property Group. This is a development of 17 apartments and a commercial unit.
- The development was acquired by Four Property Group with planning permission for 14 apartments. Following a subsequent planning submission, consent was granted for 17 apartments, comprising 3-bed, 2-bed, and 1-bed units.
- The build was logistically challenged, between neighbouring properties to all boundaries. The project was delivered by Four Build within an 18 month build programme and is now let and managed by Four Property Group.

The apartments that are available to rent benefit from LVT wood flooring throughout, fully integrated appliances in the contemporary kitchen, and modern family bathrooms.
